The verse numbers of the four verses are 89, 54, 58, and 27.

$$89 + 54 + 58 + 27 = 228$$
$$228 = 19 \times 12$$

The verses shown above further state that Muhammad is a human being who dies like the rest of us, and that we shall follow <u>ONE SOURCE</u> of law, rather than a number of contradicting sources. The <u>ONE SOURCE</u> is identified in verse 28 above as QURAN.
